A WARM WELCOME TO OUR 2008 BROCHURE SECOND EDITION

Here's the Ferris Holidays Limited 2008 First Edition Brochure, featuring our fantastic holiday bargains that we know you have all been waiting for. We hope that you will find it informative.

As one of the largest coach tour operators in the country we have accommodated and transported over 44,000 holidaymakers in our own fleet of luxury, modern executive coaches to the Costa Brava and Costa Dorada during 2007.

With our many years of experience and strong buying power in Spain we are able to pass on savings to our customers and offer value-for money holidays. Pound for pound we are the cheapest around without those hidden extras.

*We will not be beaten on price and wish all our clients, old and new,
a great holiday in 2008!*

WHAT'S INCLUDED IN THE PRICE

- Express Coach travel to and from your destination and Ferris pick up point.
- Ferry crossing/Le Shuttle Dover/Folkestone to Calais.
During 2005 we had to use Le Shuttle to France more often than in previous years. We understand that this caused concern for some clients. For 2007 we expect to use ferry crossings on each journey, but in some unavoidable circumstances we may have to use Le Shuttle.
- All road and toll taxes.
- Hotel/Apartment accommodation.
- Meals (hotels only) as shown in the hotel description.

Please note that on arrival the first meal will be evening dinner and on departure - breakfast.
For Bed and Breakfast only, the first meal will be the following day.

"Driving Forward!"

Continuing to offer the best in service and price, enabling you to enjoy a new level of luxury for our continental holidays.

REMEMBER, FERRIS HOLIDAYS LIMITED ARE FULLY BONDED WITH ABTA, YOUR MONEY IS IN SAFE HANDS

ABTA (The Association of British Travel Agents) is the UK's Premier Trade Association for Tour Operators and Travel Agents. ABTA's 800 tour operators and 6700 travel agency offices are responsible for the sale of some 80% of UK-sold holidays.

For further information on the benefits of booking with an ABTA member, visit <http://www.abta.com/>

Our ABTA number is **W928X**

Note: repatriation will only be provided if the travel component of your trip was paid to us.

Why Pay More?

Take the inexpensive route to the sun with Ferris and travel on one of our luxury express coaches direct to the resort of your choice.

Our popularity and success is undoubtedly due to the good value holidays we offer at such low prices. Compare our rates with other tour operators and you will see that our standards of accommodation and service are very hard to beat.

■ All Inclusive Hotels

■ Full Board Hotels

Continental breakfast, lunch & evening meal

■ Half Board Hotels

■ Bed and Breakfast Hotels

■ Self-Catering Apartments

■ Accommodation Only

This can be arranged with your own travel. Please ask for details.

Plenty of Resorts

We have no less than 7 resorts on the Costa Brava, Costa Dorada and Costa Blanca to choose from. You can stay from a minimum of 3 nights up to 14 nights or if you wish to stay longer simply give us a call and we will quote you a special price.

Customer Relations

From reservations staff, when you make your initial booking, through your journey with our drivers, hosts and hostesses, to your representatives at the resorts – we are all committed to helping you enjoy your holiday.

FREE Local Pickups

Choose the nearest pick-up point to your home from one of the many points featured on the back page – **FREE OF CHARGE!**

Your Travel Route

After all passengers have been picked up at local points we travel down to the port of embarkation (Dover or Folkestone) to catch the ferry/Le Shuttle to Calais or Boulogne. During the ferry crossing of around 90 minutes there are many facilities to enjoy such as self-service restaurant, bar, lounge, duty-paid shops and currency exchange.

On arrival in France we continue the journey on the main Autoroute through France, heading for Lyon and Perpignan. We travel through the night, making two stops of around 30 minutes to allow you to purchase food and freshen up. The first stop is in the evening and the second in the morning. There will also be occasional 'comfort stops' en-route and we strongly recommend that you take advantage of these stops, if only to stretch your legs (time permitting).

We cross the French/Spanish border at La Jonquera and arrive in the Costa Brava approximately two hours later.

Travelling Times

The coach journey to the Costa Brava and Costa Dorada takes approximately 24 hours from Dover, but of course during peak periods, the travelling time could be extended.

Interchange

It may be necessary for some passengers to change coaches on the outward journey at Farthing Corner and Emporda and on the inbound journey at Calella and Emporda. This is for the benefit of passengers to enable them to arrive in resort and return home as quickly as possible.

Your Coach

The coaches we use, whether a high-liner, semi-decker or double-decker, all have the same facilities on board, ie video entertainment system, forced-air ventilation, panoramic windows, reclining seats, toilets and coffee machines. Some services, such as videos, toilets, stereos, heaters, ventilation and drinks machines sometimes become inoperable. Rectification will however take place as quickly as possible.

For your own and fellow passengers comfort we recommend that you use the chemical toilets installed on the coaches as little as possible and take advantage of facilities at the rest stops.

Platinum Travel

The £15 Platinum charge "guarantees" a seat on our Platinum Coaches. However, we may have to collect you from your pick-up point on a Standard Executive Coach and transfer you to meet your Platinum Coach at Dover. On your return journey you may be transferred onto a Standard Executive Coach at Dover for the remainder of your journey home. In Spain we may have to transfer you to or from your resort on an Executive feeder coach.

In cases of emergency a substitute coach may not have one or more of the facilities available. No compensation is payable for the lack of any of the above facilities.

Seating

Seating on our coaches is arranged 2-5 days prior to your departure/return. **NO requests can be made for any specific seating** as we are finding it increasingly difficult with regards the volume of requests being made to our head office prior to departure/return. You will be advised, on boarding your coach, as to your seat numbers. We cannot advise you of the seat numbers prior to this.

However if you inform us of any disabled passengers in your party we will endeavour to allocate two seats on the lower deck of our double-deck coaches, but can give **NO guarantee**. Please remember, as there are only 14 seats on the lower deck, if there are numerous bookings marked disabled it is impossible for us to allocate downstairs seating to all. Therefore, this may mean us having to split bookings up to allocate disabled passengers seats. If clients are booking on separate invoices we cannot guarantee that you will all travel together.

Should a customer, for any reason, fail to embark on one of our coaches, Ferris Holidays reserves the right to reclaim that seat. This applies even if a refund has not been awarded.

No Smoking on Coaches

IN ACCORDANCE WITH LAWS BANNING SMOKING IN ENCLOSED PUBLIC PLACES FROM APRIL 2, 2007 IN WALES, AND FROM JULY 1, 2007 IN ENGLAND, SMOKING IS NOT PERMITTED ON ANY FERRIS HOLIDAY COACH.

Deep Vein Thrombosis

We advise our customers to take advantage of the coach breaks to stretch their legs. Support stockings can be purchased at most chemists. More advice can be obtained from health centres.

Refreshments

Hot and cold drinks can be purchased from the host/hostess who will also endeavour to make your journey as pleasant as possible.

In order to offer the service of on-board drinks, it must be appreciated that there is a limited supply of water available and therefore we are unable to supply hot water for flasks or personal drinks not purchased from the coach company.

Parents should ensure their children's safety on the coaches by making sure they do not stand in the aisles or sit on the stairs especially when refreshments are being served.

On Arrival

On arrival there may not be a Representative to welcome you to your hotel/apartment and you may not be allowed into your room straight away. This is to allow for cleaning of all rooms and apartments. You may have to wait until 2.00pm in hotels and 5.00pm in apartments.

As coaches cannot always drop you off outside your accommodation, a short walk may be necessary.

Booking In

Your coach will drop you and your luggage at your hotel/apartment, (access permitted). Please have your passport and holiday reservation ticket ready to book in. The receptionist will retain your passport for one day to extract necessary details. Your passport will be returned as soon as possible.

Remember there will be a lot of people around when you book in:

MAKE SURE YOU DO NOT LEAVE YOUR LUGGAGE OR VALUABLES UNATTENDED AND USE SAFETY DEPOSIT BOXES WHERE POSSIBLE!

Accommodation

Official Tourist Authority Classifications differ in each country to those in the UK, therefore the description used in our brochures and leaflets of 'hotel' does not necessarily differentiate between 'aparthotel', 'hostel', 'pension', 'residencia', 'taverna' etc.

Topping & Tailing

Small children may top and tail but the accommodation will comprise of one twin-bedded room with extra bed(s) added (rooms may therefore be cramped). If two rooms are required then two of the children must each pay full adult price.

Food

Hotels cater for all nationalities and meals may not be to everyone's palate. In some cases, due to the climate, the food is served at a lower temperature, but we believe that it is still good value for money. Vegetarians are not catered for but a salad or omelette may be an alternative choice.

Most of the comments we get back from our customers are about the food. Please remember, you are in a foreign country and although every effort is made, it is impossible to please everyone.

Early and Late Season Facilities

Please note that at the beginning of the season (April/beginning of May) and end (end of September/October) not all facilities may be available at the hotels and apartments, for example pools may not be open, entertainment may be reduced or cancelled etc. This is reflected in the price at this time.

When on Holiday

Ferris Holidays cannot be held responsible for the conduct and behaviour of all holidaymakers within your resort and within the accommodations.

Returning Home

Please note that the rooms and apartments must be vacated by 10.00am on the day of departure. This is to allow staff to prepare rooms for new arrivals. Please check with your Representative for your coach departure times, as this could vary. Departures from Spain are between 1400 hrs and 1800 hrs.

We know that the majority of passengers want to arrive home as quickly as possible. Therefore, on the return journey we endeavour to keep the number of breaks to a minimum.

Please note that on the return journey after arriving at Dover/Folkestone our coaches will make service stops on the motorway to allow passengers to telephone friends or relatives to inform them of their approximate arrival time.

PLEASE NOTE: NO RETURN COACH SEATS CAN BE ALLOCATED UNTIL ANY DIFFERENCES HAVE BEEN PAID.

IMPORTANT INFORMATION PLEASE READ CAREFULLY

DISABLED PEOPLE

Ferris Holidays Limited accepts disabled people on the understanding that they are booking under the same terms and conditions as able-bodied people.

Regrettably, because of the inherent design and construction of our coaches, we cannot offer the facilities to cope with wheelchairs or special needs. For instance, there are a number of steps to board all coaches and further steps to the seating upstairs on double-deckers with toilet facilities on the lower deck. There are also no fixing points for wheelchairs or gangways wide enough between seats for wheeled access.

It is also important to note that most hotels and apartments in Spain have steps and do not have wheelchair ramps and many are in elevated locations. Ferris Holidays Limited can therefore only advise disabled clients of the potential unsuitability of our coaches and hotels on offer.

HAVING ADVISED CLIENTS, WE CAN ACCEPT NO RESPONSIBILITY IF THE LOCATION, FACILITIES OR ACCOMMODATION DO NOT HAVE ACCESS/FACILITIES FOR THE DISABLED. IT MUST BE UNDERSTOOD THAT PROBLEMS DO EXIST AND OUR HOLIDAYS ARE THEREFORE UNSUITABLE FOR MANY DISABLED OR SPECIAL NEEDS PEOPLE.

Following complaints from disappointed disabled clients we must respectfully point out that clients consider and understand these limitations.

FREE & DISCOUNTED CHILDREN

Children will only be allocated a separate room when paying full-fare prices. This means that any child or children with free or discounted places will share a twin bedded room with a minimum of two full-fare paying adults.

RESORT, HOTEL & ROOMS ALLOCATION

If more than one family/party are booking together it cannot be guaranteed that rooms, apartments or hotels will be together or that they will be in the same resort (when booking 'Ferris Chooses Resort' Specials).

Please note that as hoteliers allocate rooms we cannot guarantee rooms next to one another or rooms with specific views.

THEFTS AND ACCIDENTS

Thefts and accidents that occur in resorts must be reported to the resort Representative (not hostesses or drivers of coaches) and a report must be obtained from the police for any insurance claims to be investigated.

PASSPORTS

Full passports are required for France and Spain. Separate passports for children are now required if not already included on parents passport.

UNDERSTANDING YOUR INVOICE

There has been some misunderstanding regarding the way accommodation is shown on your invoice. We follow the International Booking Standard which this example shows:

1 x 5	2 x 5	3 x 5
1 x 4	2 x 4	3 x 4
1 x 3	2 x 3	3 x 3
1 x 2	2 x 2	3 x 2

The first figure is the number of rooms/apartments booked and the second figure is the number of persons in each room/apartment.

PAYMENTS

Final payments cannot be accepted UNLESS ACCOMPANIED WITH YOUR INVOICE, this ensures that payments are processed promptly.

Part payments and final balances should be sent to head office and can only be accepted between 9.30am and 5.00pm Monday to Saturday.

Sunday opening is for new bookings or brochure requests ONLY.

ACCOMMODATION

HOTELS

All rooms are twin-bedded with private bathroom consisting of bath/shower, WC, wash hand basin. Most rooms have a balcony but this cannot be guaranteed. Hoteliers allocate all rooms.

PLEASE NOTE: Three and four-bedded rooms are usually twin-bedded rooms with extra beds added.

The number of hotel rooms able to accommodate four beds is limited and in some cases children may be required to share a single bed and rooms may be cramped.

FREE and DISCOUNTED CHILDREN will share twin-bedded room with a minimum of two full-fare paying passengers. If a separate room is required the full price must be paid.

Bed & Breakfast: Upon arrival in resort clients will book into rooms and the first meal is a Continental Breakfast the following morning.

PLEASE NOTE: Occasionally you will not be able to enter the apartment until 5.00pm.

BY PLANE

REUS is the airport for the area of Salou. It is only 15 minutes by taxi to the resort.

GIRONA is the airport for Tossa de Mar, Lloret de Mar, Malgrat de Mar, Blanes, Pineda and Calella de Mar. A taxi from this airport to any of these resorts will take approximately 30-40 minutes.

BARCELONA AIRPORT is approximately 50 km from all resorts. It can be reached by taxi (which can be expensive) or a very good train service.

ALICANTE AIRPORT is approximately 45 km from Benidorm and will take about 45 minutes by road.

TAXI TRANSFERS

Although more expensive than public transport, taxis are definitely the simplest way to transfer to your resort.

Taxis are readily available at Barcelona or Reus Airports. However if you are flying into Girona Airport we would recommend that you book your taxi in advance as there can often be delays, especially during peak season.

Airport taxis will take up to 4 persons, so parties of 5 or more will need two taxis. We can arrange 7-seater, 15-seater or larger coaches in which case please contact the office.

The following are approximate taxi prices and for a guide only (one way, maximum 4 persons).

Barcelona Airport to Pineda, Malgrat/Santa Susanna **90 Euros**
Blanes, Lloret **100 Euros**
Salou **150 Euros**

Girona Airport to Tossa, Lloret, Blanes, Malgrat **55 Euros**

Reus Airport to Salou **40 Euros**
(or only 6 Euros by the 4 times daily Shuttle Bus)

LLORET

A long promenade of palm trees...

fronts the beach of golden coarse sand in Lloret and a regular boat service comes into the shelving beach. Lloret offers water-sports and lots of beach bars and open air cafes to refresh yourselves. There is a fantastic choice of entertainment with many discotheques, bars, sophisticated nightclubs, flamenco shows and casino. The charming narrow streets of the old town offer a shoppers paradise, packed with all kinds of souvenirs to take home.

About a mile west is the slightly quieter resort of Fanals with its own pretty coarse sandy beach. A bus service operates between these two resorts but it can easily be walked in approximately ten minutes.

MALGRAT/SANTA SUSANNA

The pleasant resort of Malgrat caters for all ages...

Situated between Calella and Lloret, Santa Susanna/Malgrat offers a slightly quieter holiday but is within easy access of the larger resorts.

The long coarse sandy beach is interspersed with rocks and there is a regular boat service that comes into the shelved beach with a shuttle bus service connecting the two. A coastal railway runs alongside the seafront road, dividing the hotels from the beach.

There are plenty of shops, where you can buy locally made handcrafts and a weekly market for bargains and souvenirs. The resort offers a variety of entertainment with bars, discos and cafes.

PINEDA

Fast becoming one of the best resorts on the Costa Brava...

Pineda is the next resort to Calella yet the two resorts are completely different in character and atmosphere. There are many typical Spanish squares where you can sit at a bodega, sample the local wine and relax as you watch the world go by. You can also enjoy one of the many English and Spanish bars in this ideal resort.

For shoppers you can visit the local market (held every week along the sea front) or take a leisurely stroll and enjoy the shops, friendly bars and open air cafes. A pleasant resort for those looking for a family holiday.

CALELLA

One of the liveliest and larger resorts on the Costa Brava...

Calella is a very popular holiday destination. The large open beach of coarse golden sand shelves into the sea with a boat service to take you along the coast. Alongside the beach is a tree lined promenade where you can enjoy a drink at a beach bar. The railway runs the length of Calella and separates the town from the beach.

There's plenty to do including pedalos, windsurfing, skating and horse riding. Or shop in the maze of narrow streets in the centre of Calella with bargains at the weekly market. Nightlife is plentiful and varied in Calella with many discos, bars, restaurants and clubs. A well-established and popular resort catering for all tastes.

SALOU

With its two mile stretch of soft white sand...

Salou is at the southern-most tip of the Costa Dorada. It is the largest and one of the most attractive resorts along this coastline with a wide palm lined promenade and the picturesque older quarter. Salou has many shops, discos, restaurants and bars to relax in. Water sports are plentiful with water skiing, sailing, pedalos for hire and excellent snorkelling.

Browse around the market, stroll along the promenade or take the kids to the fun-fare. Local buses run to the pretty fishing harbour of Cambrils where you can try the fresh seafood in one of the local restaurants or visit the Roman remains in the historic town of Tarragona. There's also Aqualand Water Park or the fabulous Port Aventura theme park to make a day out with a difference.

Salou is vibrant and busy with plenty to see and do, a great holiday resort for all ages.

Tossa de Mar is one of the Costa Brava's most attractive resorts. The distinctive tower of the medieval castle overlooks this old town which still maintains the character of a typical fishing village.

The sun-blessed beaches and clean clear water offer good bathing as well as windsurfing and sailing for the more energetic.

Wander through the quaint cobbled streets of the old town and discover a vast selection of shops selling all kinds of local craft, plus lots of open air cafes and bars.

A very attractive resort, popular with the many holiday makers who visit here each year.

The pleasant resort of Malgrat...

caters for all ages. Situated between Calella and Lloret, Santa Susanna/Malgrat offers a slightly quieter holiday but is within easy access of the larger resorts.

The long coarse sandy beach is interspersed with rocks and there is a regular boat service that comes into the shelved beach with a shuttle bus service connecting the two. A coastal railway runs alongside the seafront road, dividing the hotels from the beach.

There are plenty of shops, where you can buy locally made handcrafts and a weekly market for bargains and souvenirs. The resort offers a variety of entertainment with bars, discos and cafes.

*Fast becoming one of
the best resorts...*

on the Costa Brava, Pineda is the next resort to Calella yet the two resorts are completely different in character and atmosphere.

There are many typical Spanish squares where you can sit at a bodega, sample the local wine and relax as you watch the world go by. You can also enjoy one of the many English and Spanish bars in this ideal resort.

For shoppers you can visit the local market (held every week along the sea front) or take a leisurely stroll and enjoy the shops, friendly bars and open air cafes.

A pleasant resort for those looking for a family holiday.

CALELLA

*One of the liveliest
and larger resorts...*

on the Costa Brava, Calella is a very popular holiday destination. The large open beach of coarse golden sand shelves into the sea with a boat service to take you along the coast. Alongside the beach is a tree lined promenade where you can enjoy a drink at a beach bar. The railway runs the length of Calella and separates the town from the beach.

There's plenty to do including pedalos, windsurfing, skating and horse riding. Or shop in the maze of narrow streets in the centre of Calella with bargains at the weekly market. Nightlife is plentiful and varied in Calella with many discos, bars, restaurants and clubs.

A well-established and popular resort catering for all tastes.

Salou is at the southern-most tip of the Costa Dorada.

It is the largest and one of the most attractive resorts along this coastline with a wide palm lined promenade and the picturesque older quarter. Salou has many shops, discos, restaurants and bars to relax in. Water sports are plentiful with water skiing, sailing, pedalos for hire and excellent snorkelling.

Browse around the market, stroll along the promenade or take the kids to the fun-fare. Local buses run to the pretty fishing harbour of Cambrils where you can try the fresh seafood in one of the local restaurants or visit the Roman remains in the historic town of Tarragona. There's also Aqualand Water Park or the fabulous Port Aventura theme park to make a day out with a difference.

Salou is vibrant and busy with plenty to see and do, a great holiday resort for all ages.

TURKEY & TINSEL

Sandown • Isle of Wight

The Isle of Wight is a magnificent island separated from mainland England by as little as 3 miles of water and is accessible only by ferry. The island has retained its unique charm, enchanting 2.7 million visitors each year. From the Southdowns road, the white cliffs of Portsdown Hill and the city of Portsmouth can be seen and yet one can feel a million miles away from the hustle and bustle of mainland England.

Your Hotel...

The Royal Pier Hotel is one of Sandown's finest hotels and was originally built by the Victorians for Princess Beatrice as her summer residence. The property later became a very popular meeting place for those wealthy travellers who followed in the path of royalty to walk the pier and enjoy the invigorating fresh sea air. Hence the Royal Pier Hotel was established and since then cared for many visitors. The Royal Pier is ideally positioned on the seafront facing one of the finest beaches on the island plus the pier, with its family amenities. Long coastal footpaths and walks can start from the Hotel and the main High Street is only a few minutes away.

Winters are colder than most major European cities with a January average low of -7°C and usually brings a lot of snow. Innsbruck serves as an ideal place for skiing in winter and mountaineering in summer. The Winter Olympic Games have been held twice, in 1964 and 1976. Tourism is the most important source of income for the city authority, largely because of Innsbruck's beautiful town centre with its historic buildings, the friendly ambience and the extensive sports facilities both winter and summer.

Scotland

Crieff, Loch Lomond & The Trossachs

Ferris
Royal Class
Travel

Monday 28 April 2008

Monday 7 July 2008

Loch Lomond and The Trossachs National Park embraces diverse landscapes from the high country of Breadalbane to the sea lochs of Argyll. The Highland Boundary Fault cuts through the Park, dividing the gentle Lowlands from the rugged terrain of the Highlands.

The Park is divided into four distinct areas. Ben Lomond stands guard over Loch Lomond, the largest expanse of freshwater in Great Britain and the romantic centrepiece of the National Park. In the north, the loch is deep and narrow, bound by steep-sided mountains. Further south it spills into an island studded panorama.

The Trossachs are the wild glens and sparkling lochs between Callander and Aberfoyle, which are often regarded as the 'Highlands in miniature'. Here the contrast between Highlands and Lowlands is stark as you leave Aberfoyle to climb up through the twisting Duke's Pass to Loch Katrine.

The 'Arrochar Alps' survey the Argyll Forest to the south. The view from the top of Glen Croe is just reward for the long drive up through this mountain pass. From here the road descends past Hell's Glen down to Lochgoilhead and the wooded shores of Argyll.

Breadalbane is a land of giants. Ben Lui, Ben Challum, Ben More and Ben Vorlich, some of Scotland's finest Munro peaks, line the route from Tyndrum to Killin and down through Glen Ogle.

Included in the price...

- All luxury coach travel from pick-up point to your hotel and return

Day 3 Our scenic tour of The Trossachs National Park will take in as much of the amazing scenery as possible to see many of the lochs and glens that abound in this part of Scotland including the 'bonny, bonny banks of Loch Lomond'.

Day 4 Visit The Famous Grouse Distillery and learn just how The Glenturret Single Malt whisky is produced (entrance included).

The city is the home of Waterford Crystal

Waterford is the capital of the sunny south east of Ireland. A natural playground for golf, equestrian, walking, angling, watersports and cycling enthusiasts. Waterford offers the complete holiday experience. The county offers a dazzling coastline, beautiful river valleys and two dramatic ranges of very accessible mountains.

Waterford was established in Viking times and it has an exciting medieval flavour and riverside bustle. In 2005 the city was host to the Tall Ships Race. The city is also the home of Waterford Crystal, a lifestyle product of exquisite craftsmanship.

Dungarvan is the administrative capital of the county and is set in a broad, magnificent bay.

In between are lively, and quiet, seaside resorts like Tramore, the spectacular Geopark on the Copper Coast, and lovely mountain and river valley towns and villages. Houses and gardens, where grace and beauty can be admired at leisure, are part of a rich heritage which includes historic and pre-historic sites.

The town of Lismore was originally a monastic settlement founded in the 7th century by St Carthage, a heritage town, it was the centre of ecclesiastical and temporal power for centuries.

Sophisticated fashion stores and high quality craft centres complete a holiday picture that is sure to please.

Taking Care on Your Holiday!

Dear Holidaymaker,

Thankyou for booking your holiday with Ferris. We are committed to ensuring that your holiday is as enjoyable as possible. However, with this in mind we have compiled a list of recommendations for your safety to help make your holiday trouble-free.

GENERAL SAFETY

- As a general rule, please take the same care for your safety as you would at home.
- Remember that children may be less careful than adults in new surroundings. Please take extra care with children on stairs or on balconies and anywhere else where there is likely to be water on the floor.
- Do look after your belongings – please take advantage of safety deposit facilities for your personal effects and valuables wherever they are available.

WET FLOORS

- Care should be taken when walking across floors by or near to the swimming pool as water transferred by those using the pools will make the floors very slippery, particularly inside the hotel.

FIRE SAFETY

- In the unlikely event of a fire, for your own safety, there are several points to note:
 - On arrival, familiarise yourself with the emergency exit routes.
 - Read any safety information in your room. Make a note of the nearest extinguisher and how to raise the alarm in case of fire.
 - In the event of fire, if your escape route appears to be clear, leave your room immediately. Do not stop to pack or collect personal belongings. **STAY CALM – DO NOT PANIC!**
 - Exit the building as quickly as possible, closing all doors behind you.

BALCONY SAFETY

- Take extra care on balconies. Children should never be left unsupervised or allowed to climb on furniture or railings.
- Adults also need to be careful. Do not sit on the balcony or railing. It is also not advisable to lean over balconies.

ELECTRICITY and GAS

- Please respect electricity and gas on holiday as you would at home.
- Follow any instructions for electric or gas appliances.
- Do not tamper with any fixtures or fittings.
- Report any faults immediately.

LIFT SAFETY

- In the interest of safety, customers are asked to observe the following guidelines:
 - Fire – Do not use the lifts in the event of fire.
 - Interior Doors – Not all lifts are fitted with interior doors. Please take extra care when using this type of lift.
 - Unaccompanied Children – Children should at no time be permitted to use lifts unaccompanied by an adult.

ANIMALS

Do not pat, feed or play with wild or domesticated animals whilst abroad and do not allow children to do so either.

SWIMMING SAFETY

- Pools – Swimming pools can be dangerous, but by following a few simple rules will mean that you can thoroughly enjoy your time at the pool.
 - Every pool is different. Make sure you know how deep the water is in all areas before you enter the water.
 - Think before you dive! Take care to ensure that the water is deep enough for diving (a minimum of 2 metres is recommended).
 - Avoid swimming immediately after eating a meal.
 - Alcohol and swimming do not mix!
 - Have fun, but avoid unruly behaviour which may be dangerous to yourself and others.
 - Take care around drainage channels.
 - Be aware of slippery and uneven surfaces.

POOL SAFETY FOR CHILDREN

- Children should never be left unsupervised in the swimming pool or around the pool area.
- Please protect your children and ensure that they remain in your sight at all times, especially small children and those who are weak or non-swimmers.
- Check the depth of the children's pool and ensure that it is suitable for your child(ren).
- Be aware of any changes in depths in or near the children's section, particularly where there is deep water.

AT THE BEACH

- Even 'safe' beaches may become dangerous in certain weather conditions.
- Be aware of depths, tides and currents by listening to local advice.
- Do not swim alone or at night.
- If the beach has flags, ensure that you are aware of their meaning and obey them.

COT SAFETY

- Cots and high chairs provided in hotels do not usually conform to British safety standards enjoyed in the UK. We, therefore, recommend you exercise caution in their use.
- If you are in any doubt about the safety of the cot do not hesitate to contact your representative.
- We all want you to enjoy your holiday, but please...
PROTECT YOUR CHILDREN!

AT YOUR RESORT

YOUR HOLIDAY INSURANCE

We have arranged Comprehensive Travel Insurance, through our brokers G. J. Sladdin & Co Ltd, that is suitable for the holidays in this brochure. Details of the cover and premiums are given below.

Under the Association of British Insurers General Code of Practice, and in accordance with FSA Regulations, we have listed below a summary of the cover provided by the insurance. A copy of the full terms and conditions is available upon request. Please note that it is the responsibility of each client to ensure that they receive a policy document from us, and familiarise themselves with the terms and conditions. Particular attention should be paid to the warranty below. In the case of any dispute the wording of the policy shall prevail.

**A COPY OF THE INSURANCE POLICY IS AVAILABLE.
YOU SHOULD READ THE POLICY CAREFULLY.**

Policy Document: The insurance policy contains all the details of what is and is not covered together with conditions of this. As cover varies from policy to policy and insurer to insurer you should make yourself aware of the terms of the cover as soon as possible.

"Cooling Off Period": If you have justifiable reason for being unhappy with our insurance and can demonstrate that you have purchased an alternative policy with cover that we consider satisfactory for this holiday we will refund your premium provided your request is within 14 days of purchasing the policy and before you travel, provided you are not making a claim.

Conditions and Exclusions: Conditions and Exclusions apply to individual sections of the policy while General Conditions and General Exclusions apply to the whole policy.

Warranty: When buying this insurance you warrant (promise) that you qualify for this insurance in accordance with the terms below.

You do not qualify for this insurance if (unless our insurers have confirmed otherwise):

- You are aware of any reason why the holiday could be cancelled or curtailed;
- Any person named on the schedule will be travelling against the advice of a doctor or for the purpose of obtaining medical treatment;
- Any person named on the schedule or any member of his/her family is undergoing tests for any illness or condition for which a definite diagnosis has not been given;
- Any person named on the schedule or any member of his/her family has a terminal illness.

Hazardous pursuits and activities: The insurance will not cover hang-gliding, racing (other than on foot), parachuting, mountaineering or rock-climbing (necessitating the use of ropes for support), pot-holing, bungee jumping, jet-skiing, scuba diving (unless diving with a current valid internationally recognised scuba diving certificate or accompanied by a fully qualified scuba diving instructor, to a limit of 30 metres), travelling in a privately registered single-engine aircraft, travelling in a privately owned vessel in international waters, wilful exposure to risk (except in an attempt to save human life).

Policy Excess: The first £60 of each and every claim is excluded (rising to £100 in respect of claims for medical expenses and personal liability), except for claims under Hospital Benefits, Personal Accident, Delayed Departure and Baggage Delay. The excess applies to each insured person, and to each relevant policy section.

Policy Limits: The insurance has maximum amounts that can be paid under each section and for certain items within each section. The summary of cover below outlines the purpose of the cover and the financial limits.

Property Claims: Payment for property will be the value of the goods at the time you lose them (or repair costs if they are damaged and this is lower) and not the replacement cost on a new for old basis.

Reasonable Care: You must take all reasonable care to protect yourself and your property, as you would if you were not insured.

Complaints: The insurance includes a procedure which tells you what steps you can take if you wish to make a complaint.

Jurisdiction: The insurance is governed by English law unless you and our insurer have agreed otherwise.

- Clients should ensure that children do not travel without an adult in lifts or are on balconies and surrounding areas without adequate supervision.
- Hotels do not cater for vegetarians

- If clients lose credit/debit cards it is **THEIR RESPONSIBILITY** to notify immediately their bank or card provider as the resort representative is unable to act on the client's behalf.

**If you have any problems contacting the resort representative
(in an emergency only) contact Set Travel at

Descriptions

Some of the facilities in this brochure are not continually available, for instance, night-spots may close, bus and train schedules may be withdrawn due to lack of demand or because of local public holidays. At the beginning (April/beginning of May) and end (end of September/October) of the season not all facilities may be available at the hotels and apartments, for example pools may not be open, entertainment reduced/cancelled etc. This is reflected in the price at this time. Coach transfer schedules may also be subject to alteration due to circumstances beyond our control. As a result of this it may be necessary for us to alter the contents on some of our holiday programmes. Where this happens no compensation can be offered.

Alterations To Your Holiday Booking By Us

Our holiday programme is compiled many months in advance and occasionally we have to make minor alterations to your arrangements, for example, amendments to your departure time or itinerary. In these unlikely cases we will contact you as soon as possible.

In the very unlikely event of a major change or cancellation becoming necessary, we will endeavour to contact you immediately, and in this event you will have the choice of accepting the alteration or purchasing another holiday from our Company, subject to space being

available. Should you not wish to accept this offer we will arrange for all monies paid to be refunded.

We reserve the right to change hotels or accommodation or alter routes or resorts on any tour and at any time, should this become necessary and bookings will only be accepted on this understanding. If the alternative accommodation provided in these circumstances is of significantly lower standards than advertised in our brochures we will refund as compensation a reasonable proportion of the part of the holiday price paid in respect of accommodation but otherwise we will be under no obligation to you in respect of alteration in accommodation due to overbooking or deficiency in services or amenities beyond our control.

Occasionally at the beginning (April/beginning of May) and end (end of September/October) of the season, hotels and apartments may open/close, later/earlier than the dates advertised and we may be advised too late to contact you before departure. In these circumstances you will be transferred to equivalent accommodation and no compensation can be made.

If cancellation or alteration of your holiday is due to 'force majeure', e.g. natural disasters, acts of God, war, civil strife, industrial disputes, adverse weather, and government actions, etc., we reserve the right to cancel your holiday and return all money paid but no compensatory payment will apply and our reasonable expenses can be deducted from such refund(s).

Alteration To Your Holiday Booking By You

It is not possible to change a named accommodation holiday from any Ferris brochure to a special offer or any late availability holiday. The company will do its best to arrange any variation by the clients in the planned holiday provided notice is received in writing from the person who signed the Booking Form **NOT LATER THAN 6 WEEKS BEFORE THE PLANNED DEPARTURE DATE.** For all alterations the following rules apply.

All alterations have to be submitted in writing with the required amendment fee, to our head office address on the back page of this brochure.

To change the date of departure or the holiday accommodation, you will have to cancel the booked holiday, subject to the cancellation charges stated on this page, and re-book the required date or accommodation.

To change a name on your booking after the reservation has been accepted is subject to the following amendment fees. More than six weeks prior to departure £15 per person. Within 6 weeks of departure £60 per person.

To change your pick-up point, we will require a £15 amendment fee per booking.

To remove insurance from an invoice either requested by yourselves or added by ourselves will require a £15.00 per person amendment fee.

To add to your booking you will just need to send a letter and the required payment (i.e. deposit or full payment). **NO AMENDMENT FEE IS REQUIRED FOR AN ADDITION.**

N.B. the person originally named on the booking form must not under any circumstances try to claim a refund from the insurance, otherwise full payment for the holiday will apply in addition.

If a member of a family or party booking cancels from the original booking the price of the holiday may increase.

Accommodation

Accommodation is used by all nationalities and we are not advised of the various ages of clients or whether large groups will be accommodated

at any time. In peak periods the resorts and accommodation will be at maximum capacity with people enjoying their holidays and therefore can be very noisy.

Respect Your Holiday Home

Most of our holidays do not require a damage deposit. Should any equipment or furnishings at your holiday accommodation be lost or damaged during your stay, you will be expected to make a cash settlement for all necessary replacement/repair before leaving the resort. Also, as you can appreciate we do not own your holiday accommodation.

Should you cause any damage to, or make an unreasonable disturbance in, your holiday accommodation its proprietor may at his discretion seek to evict you. We do not accept any liability for any loss or damage you suffer thereby. However we would endeavour to do all in our power to assist in these circumstances.

Ferris Holidays Limited reserve the right to withdraw any free drinks/fully inclusive facilities if the system is abused or in the event of unruly behaviour. The holiday may be curtailed for which we accept no liability and no compensation or refund will be made.

Complaints

As with all companies the majority of complaints received are of a petty nature. Please bear in mind that we do not use 4 and 5 Star accommodation, we use tourist class accommodation which for the price you pay in relation to the standard of accommodation and transport represents good value for money. Every effort is made to make your holiday enjoyable. **However, if you have cause to complain you should in the first instance report the complaint to reception at hotels or apartments. If the matter is not dealt with you should contact your resort representative or, if not available, telephone the contact number displayed in all hotels and apartments on the Ferris noticeboard (English speaking staff will be available).** If the complaint cannot be resolved you should write to our Head Office within 28 days of your return home.

Contractors

The Company makes every possible effort to ensure the comfort, convenience and enjoyment of the client during the whole period of the holiday. The holiday does however involve arrangements with hoteliers, ferry operators and other contractors over which the Company has no direct control.

Should a dispute arise between yourself and one of our contractors and/or suppliers we will endeavour to mediate to bring about an early resolve to any problem that may have arisen. All correspondence should be sent direct to us. This does not apply to claims mainly in relation to bodily injury and/or death.

Timings and Delays

Coaches are occasionally subject to delays and diversions due to technical reasons and traffic and weather conditions which are beyond our control and no compensation can be offered. Similarly when a journey brings the arrival into resort after the first planned meal then no compensation for the missed meal can be offered and the included meals commence with the next scheduled meal. All timings quoted are approximate and subject to alteration.

Boarding the Coach

It will be the responsibility of the clients to ensure arrival at the pick up point specified on your boarding tickets **at least 30 minutes prior to the scheduled time of departure.** The Company will not accept liability for clients failing to meet the coach for whatever reason. As with all international coach travel the coach may be earlier or later than scheduled times because of local traffic conditions having sometimes unpredictable effects. The Company will not be liable for any expense incurred resulting from delays on departure or arrival. We reserve the right in our absolute discretion to terminate without notice the holiday arrangements of any client whose behaviour is such that it is likely in our opinion to cause distress, damage, danger or annoyance to other clients, employees, property or to any third party.

Not Included in the Price

Meals on route, supplements as indicated, baths, afternoon teas, drinks with meals (except breakfast) gratuities, portage of luggage and passengers transport between resort coach terminal and your accommodation, transport to and from the UK pick-up and drop-off points and all other items not specified are not included in the holiday costs such as optional excursions and refreshments on board the coach etc.

Coaches

The Company will maintain its policy of using only the most modern coaches but will not accept any claims where an inferior type vehicle has been used due to emergency or other unforeseen circumstances.

SEATS ARE ALLOCATED BY THE COMPANY AND IT IS NOT POSSIBLE UNDER ANY CIRCUMSTANCES TO BOOK OR REQUEST SPECIFIC SEATS ON ANY COACH.

Conditions

No servant or independent contractor to the Company other than a Director of the Company is authorised to vary or add to these Conditions or to make any representation or to promise that the Company will deal with any claim or complaint in a particular way. To be of any effect any alteration or variation representation or promise by a Director must be in writing and signed by him as such. All communications in connection with the contract or these conditions must unless otherwise stated herein be to the Company at this office. All notices shall be deemed to have been duly communicated to the client if sent to the person who signed the booking form at the address given therein or to the address of the agent through whom the booking came.

Continental Health Requirements

Clients are advised to obtain an EHIC card from their local post office or DHSS, this will prevent any delay with medical assistance, in the event of hospital treatment.

Please remember that your EHIC card will not cover any medical assistance received by a private doctor. Please contact your representative at the resort for further information.

Luggage

To avoid mistaken identity of luggage passengers are requested to affix labels and mark their luggage in such a way as to be easily identifiable. **Luggage requirements should be kept to a minimum, ONE SUITCASE PER PERSON NOT EXCEEDING 30" x 18" (each case must not exceed 15kg in weight) and also an overnight bag on certain tours when required.**

Anything you purchase whilst on holiday will have to be within the luggage limits, ie scooters and other heavy, bulky items will not be transported home.

IMPORTANT PLEASE NOTE: The 15kg

weight limit must be adhered to as during past years clients have taken cases overweight and oversized, which can cause damage to their own and other cases. From this year the drivers can refuse to carry any cases they feel are either overweight or size as when putting your cases into the vehicle they are working within a restricted area.

IF WHEELCHAIR IS TO BE TRANSPORTED THIS MUST BE STATED ON BOOKING FORM.

Infants under 2 years of age are not entitled to a luggage allowance. Only 1 buggy or small flat folding pushchair per family will be permitted on the coaches in place of one suitcase.

Luggage and other property of clients remain their responsibility whether taken out of their control or not and the Company will accept no liability for damage or loss whatsoever.

Passengers are advised to insure their luggage and property against damage and loss before departing. Any luggage or belongings left on the coaches will be returned to the Ferris Head Office where it will be available for collection. Smaller items can be forwarded by post if

pre-payment for postage is made to Ferris Head Office.

COOLER BOXES AND OTHER BULKY ITEMS ARE NOT ALLOWED ON THE COACH. ONE SMALL COOLER BAG CAN BE TAKEN ON BOARD IN PLACE OF ONE PIECE OF HAND LUGGAGE. (This is for passengers own comfort as space between seats is limited)

Please note: We will not be responsible for any damage caused to overweight cases and all glass bottles/breakables in your luggage are carried at your own risk.

Pick-up Points

In some cases we are only showing the pick up areas. The time and location will be advised 14 days before the departure date if not shown on ticket. As this is a free courtesy service, at our discretion, (e.g. lack of passengers from a particular area) we may alter pick up points or issue National Express tickets.

Entertainment

If entertainment is featured in the hotel description, it does not mean functions will be provided on each night of the week. Hoteliers may cancel entertainment without prior notice.

Hoteliers organise the programme which may be adapted for a specific nationality occupying the accommodation at the time.

Safety and Children

It is the responsibility of parents or guardians to ensure that children do not travel in lifts alone, or are on balconies and surrounding areas of pools without adequate supervision. Hired equipment e.g. cots and highchairs will not usually conform to British Safety Standards and it is in your own interest to check the suitability before use.

Safety around the Pool

Hotel and apartment swimming pools in Spain are not as thoroughly regulated as our British swimming pools. Please be careful whilst using the swimming pools and remember:

- No lifeguards are provided
- Depths of the swimming pool are not displayed so **never** dive in the pools
- Always follow any rules issued by the hotel
- Since people drink around the pool be wary of any broken glass, and always inform reception in order for them to clean it up.

Insects

Ants, cockroaches and various insects may be evident. However, this is due to the climate rather than to unhygienic conditions. Various insect sprays can be purchased from supermarkets.

Smells and Odours

Spanish sewerage systems are not of the standard that you would find in Britain. When it rains heavily or gets very hot, smells and odours can occur.

Single Rooms

The supplement paid for a single room does not guarantee the size, location, facilities or standard of the room. The supplement payable is for your privacy only.

Errors and Omissions

Like all companies, both manual and computer errors can be made. If it is found that a price was wrongly quoted verbally or printed on the invoice, then the full amount will become payable at any time up to the departure date of the holiday once the discrepancy has been identified. The brochure price always applies unless quoted as a "special".

ADEQUATE HOLIDAY INSURANCE IS COMPULSORY TO TRAVEL

We believe our insurance to be adequate. If you choose alternative insurance we will not deal with other insurance companies as we do not have the staff or resources. Once your booking has been accepted, we must advise you that because we only employ the minimum of office and resort staff to keep our prices as low as possible, we will not be able to assist with any claims if insurance is not taken through ourselves.

Once insurance has been requested through ourselves you can only remove it from your booking in writing from the lead name on the invoice and £15 per person amendment fee for each insurance removed.

HOLIDAY INSURANCE AND YOUR HEALTH

If you have bought insurance through Ferris Holidays Limited you will receive with your invoice insurance application forms which must be completed and returned to our head office immediately. You should inform us of any medical conditions. If you have purchased alternative insurance then it is your responsibility to inform the insurance company of any medical conditions.

You will also need to take your EHIC card on your holiday which can be obtained from any Post Office.

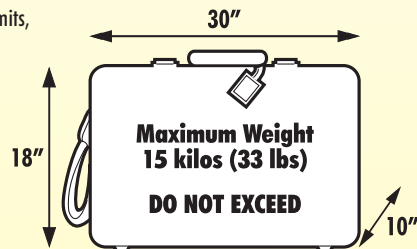

LUGGAGE LIMITS

CAUTION
HEAVY OR
OVERSIZE
LUGGAGE
LOW PRIORITY

Due to problems encountered during previous years, luggage regulations will now be as follows:

- One suitcase per person (with label) maximum size 30" x 18" x 10" (75cm x 47cm x 25cm).
- Maximum Weight: 15 kilos (33 lbs).
- One piece of hand luggage inside the coach — small enough to be kept by your feet.
- Infants under 2 years of age are not entitled to a luggage allowance. Only one buggy or small flat folding pushchair per family will be permitted on the coaches in place of one suitcase.
- Anything you purchase whilst on holiday will have to be within the luggage limits, ie scooters and other heavy, bulky items will not be transported home.
- ✓ Correct sized suitcases will be loaded **FIRST**.
- ✗ **OVERSIZED CASES** - in breach of conditions - would be tagged and loaded **LAST** but **ONLY** if space inside the coach boot is available.
- NB Drivers could request owners to load heavy suitcases themselves.**

If no space, the case(s) and cost of storage or onward travel would be the clients responsibility. Please do not spoil your holiday by having your luggage refused.

IMPORTANT REMINDER - CARRIAGE OF GOODS ON COACHES

OUR COACHES ARE SOLELY FOR PASSENGER (ONLY) TRAVEL AND NOT PASSENGER/GOODS!

Purchases abroad, ie gifts, alcohol, tobacco and other identifiable items over and above the limits subjects other holiday makers and coach crews to discomfort and embarrassment and **WILL NOT BE TRANSPORTED TO UK AND WILL BE REFUSED.** If questionable imports are included in your luggage/space allowance, please note...

HM CUSTOMS AND EXCISE

are increasingly targetting coaches with frequent checks/searches.

Also coaches cannot be delayed at the docks as a result of any client knowingly infringing HM Customs Rules and Regulations (Booking Conditions, Luggage - as above).

PARKING £3.00 PER DAY AT RELYON DOVER

Ferris are always looking at ways to reduce your journey time so this year, we are providing special rate **£3.00 per day PARKING** at Dover to clients. Special Rate Parking only applies to Spain/Eurodisney/Paris holidays.

NO NEED TO LEAVE HOME SO EARLY! NO NEED TO TRAVEL TO ALL PICK-UP AND RETURN POINTS WITH US! ARRIVE HOME EARLIER! SAVES ON YOUR TIME AND WITH THE SPECIAL RATE CAR PARKING FEE TO PAY THIS MEANS SAVINGS ON YOUR POCKET!

IMPORTANT INFORMATION

Booking of car park must be made through Ferris Holidays at the time the holiday reservation is made. There must be at least two passengers per car, and the vehicle will be parked in a secure car park with 24 hour security surveillance. Passengers must be at Relyon Car Park at Paulton Close, Coombe Valley Road, Dover (directions available on request) at the time stated on your ticket. Once your car parking has been arranged Relyon will ferry passengers to P&O main reception area where our coach will pick you up at 13.00hrs. Due to strict driving hours we have to adhere to, the coach will be unable to wait for any delayed passengers and cannot be held responsible or make compensation if arrival at the car park is after 12 noon.
